

Solana has 54 million active wallets.
Why doesn't it have one hit game?

**Because crypto games are built
to extract. Gameplay comes last.**

**Hits are built on fun and
characters.**

We make characters for a living.

Ours: Shiro & Kuro.

Shiro THE HERO

Thinks, then wins. Never flinches.

Kuro THE RIVAL

Jealous, in a hurry. Always blows up.

The perfect trap

The heist

The disguise

THE FIRST MORNING

Kuro wanted the first carrot. Shiro got it. Now Kuro sabotages everything.

THE RULES

- ★ Shiro never strikes first.
- ★ Kuro is never beaten by Shiro. The island beats him, or the gear he bought.
- ★ Every item in the shop, Kuro tried it first.

Season 1 ends with Shiro wearing the crown. Now every rabbit hunts him.

EPISODE 1 LIVE

#TEAMSHIRO · #TEAMKURO

Shiro and Kuro.

Not just characters in a video: their personality makes a classic game juicier.

10K+ games played · 1 h+ sessions · 3 games a minute

MINESWEEPER

Shiro's side: count the numbers, dodge the bombs, keep your cool.

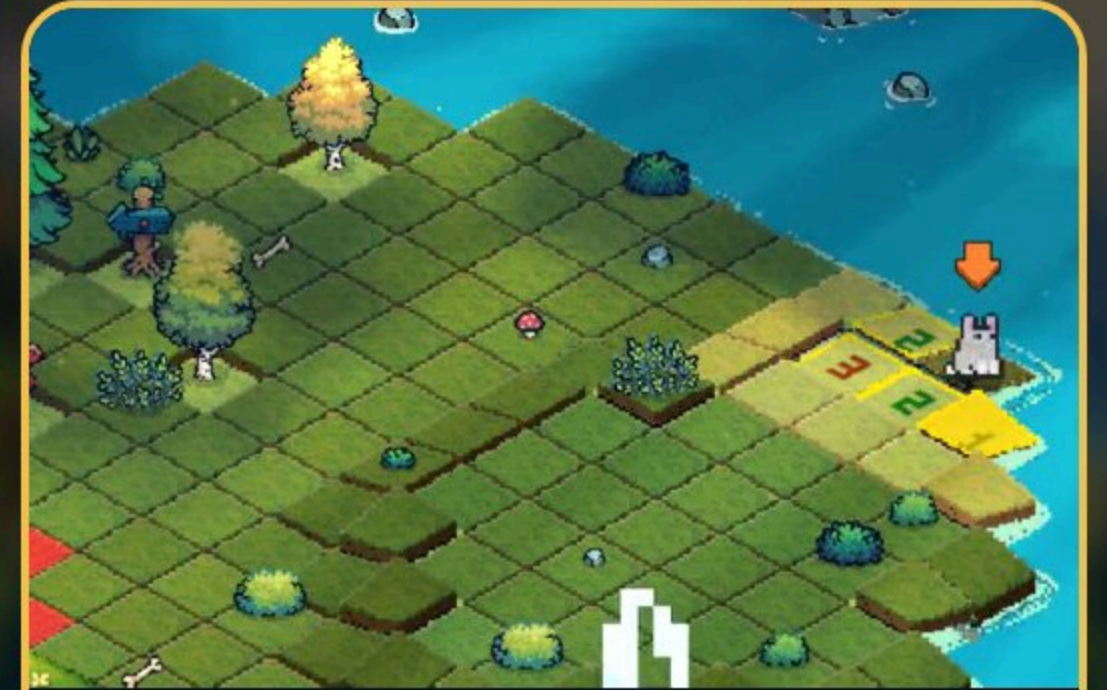

SHIRO - CALM

DEFEND

Bury bombs and fences: a minefield you design.

KURO SHOWS UP - CHAOS

RAID

Cross a rival's burrow: a minefield they designed.

GAME ECONOMY

Revenue starts from the first game.

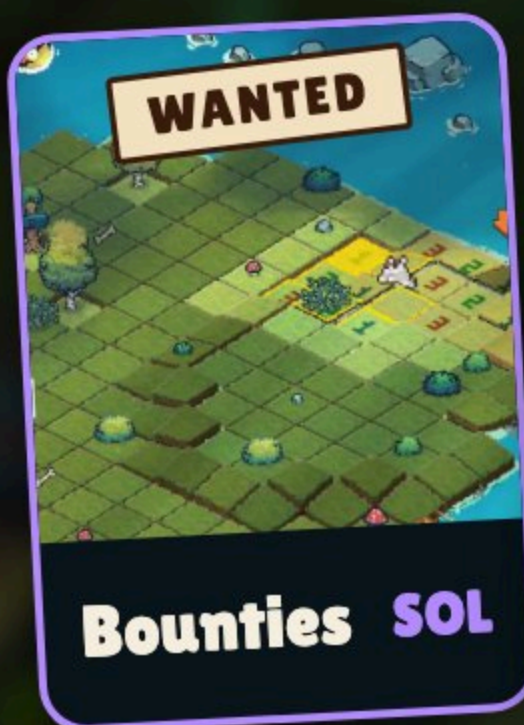

Players buy time, revenge and style. Never power.

Everything is earned by playing. Or skip the grind in SOL or SKR, straight from your wallet.

 **ONLY ON SOLANA** **SOON**

TIME

REVENGE

Priced in USD, paid in USDC, SOL or SKR straight from the wallet (SOL and SKR at the live Jupiter rate).

GO-TO-MARKET

Take this IP to millions.

A small debut on Solana Mobile. Then every step widens the audience.

1

Debut on Solana Mobile

A small launch where the players already have wallets.

2

Streamers

AMONG US

Our foundation. The Among Us playbook: simple, fun, chaotic on stream.

3

Viral clips

On top, clips from our Shiro and Kuro mini-series.

4

Merch & collectibles

Once revenue follows, they carry the IP to a mainstream audience.

VISION

28K visitors on r/Minesweeper every week.

Bigger than Tetris. This is why Minesweeper is our first step.

PAID IN PLAYERS, NOT AD CENTS

Glitch • 2 brothers, Sydney

A free YouTube cartoon: 1B+ views, then Netflix, Amazon and a \$36.6M box-office opening. 80% funded by merch.

Skibidi Toilet • 1 creator

YouTube Shorts, then toys at Walmart and Roblox games earning tens of \$M a year.

1M views ≈ \$2.5K in ads

Or ~5,000 players we don't buy at \$3–4 each.*

Merch • Pudgy Penguins, NFT brand

\$13M+ in toys at Walmart and Target, 1M+ sold.

REVENUE BY YEAR

\$5 in-game spend per player

YouTube: 1M views ≈ 5K players, so 10M views in Y2 and 100M in Y3, at a \$2.50 RPM (vidIQ, animation \$1–4) · Merch: 2% of players buy once a year, \$45 average (MerchOne, 2026) · Toys: \$2.5M at retail, 10% royalty on wholesale (Toy Licensing).

The next ~~Pokémon~~ starts on Solana.
