BORN IN A CASINO

Too addictive to stay gambling.

Rabbit Royale was the mode players couldn't put down in domin8. We kept the core and took the wager out.

Dig. Defend. Raid.

Real-time multiplayer: up to 4 rabbits on the same island, and first to dig takes the carrot.

DIG

Read the numbers, dodge the bombs, beat rivals to the carrots.

DEFEND

Bury bombs and fences: your burrow is a minefield you design.

RAID

Cross a rival's burrow: a minefield they designed.

The revenge loop

Your burrow is a minefield you design. Theirs too. Lose loot and a shield goes up.

LIGHTNING

Shock every rival in a 3x3.

BLOOP

Ink them blind for 6 seconds.

PUSH

Shove them into the sea.

ECONOMY

Earn everything by playing, or skip the grind: pay in SOL or SKR, straight from your wallet. Money buys time, never power.

ATTACKS - REVENGE LOOP

BRAND

Priced in USD, settled in SOL or SKR at the live Jupiter rate. SOL amounts at \$118 per SOL (Sep 28, 2026).

ROADMAP · ON-CHAIN

Only on Solana.

The wallet becomes part of the game: bounties, battles and staked SKR.

BOUNTY

Got raided? Put SOL on their head.
Whoever breaks their burrow claims it.

SOL · SKR

ISLAND BATTLE

Up to 6 rabbits on one island. Free entry,
SKR prize pool.

STAKED SKR

Keep your SKR staked with the
Guardians. We read it, you get daily
energy.

SKR

THE IP

Episode 1

No words. Shiro pulls a carrot.
Degen finds a bomb. Soon on
Seeker.

SEEKER QUESTS

Seeker devices. A featured quest pays players in SKR, and the dApp Store takes no fee.

VS

COMMUNITY WARS

Solana communities become clans: they defend their island and raid each other. Weekly leaderboard.
