

**What happens when
Minesweeper meets
Clash of Clans?**

Answer: Rabbit Royale

Two builders, one crown

Peko

founder & lead

15+ years of 3D and VFX: Iron Man, Rolex, The Little Prince.

Suzanne Award, Blender Festival. Former animation professor.

Built domin8 for Solana Breakpoint 2025 hackathon.

Paul

Co-founder & UI/UX

UI/UX on Quantic Dream AAA games.

10+ years making games, since the Flash era.

Buils Rabbit Royale's game and UI in Godot.

BORN IN A CASINO

Too addictive to stay gambling.

Rabbit Royale was the mode players couldn't put down in domin8. We kept the core and took the wager out.

games in domin8

Dig. Defend. Raid.

Real-time multiplayer: up to 4 rabbits on the same island, and first to dig takes the carrot.

DIG

Read the numbers, dodge the bombs, beat rivals to the carrots.

DEFEND

Bury bombs and fences: your burrow is a minefield you design.

RAID

Cross a rival's burrow: a minefield they designed.

The revenge loop

Your burrow is a minefield you design. Theirs too. Lose loot and a shield goes up.

LIGHTNING

Shock every rival in a 3x3.

BLOOP

Ink them blind for 6 seconds.

PUSH

Shove them into the sea.

Minesweeper × Clash of Clans

\$10B

lifetime revenue for Clash of Clans. The base-and-raid loop.

\$240M

still made in 2025, 13 years in

\$3B

Supercell revenue, 2025

290M

monthly Supercell players

Sources: Supercell via Business of Apps; GamesBeat, Game World Observer (Feb 2026); Statista / AppMagic 2025.

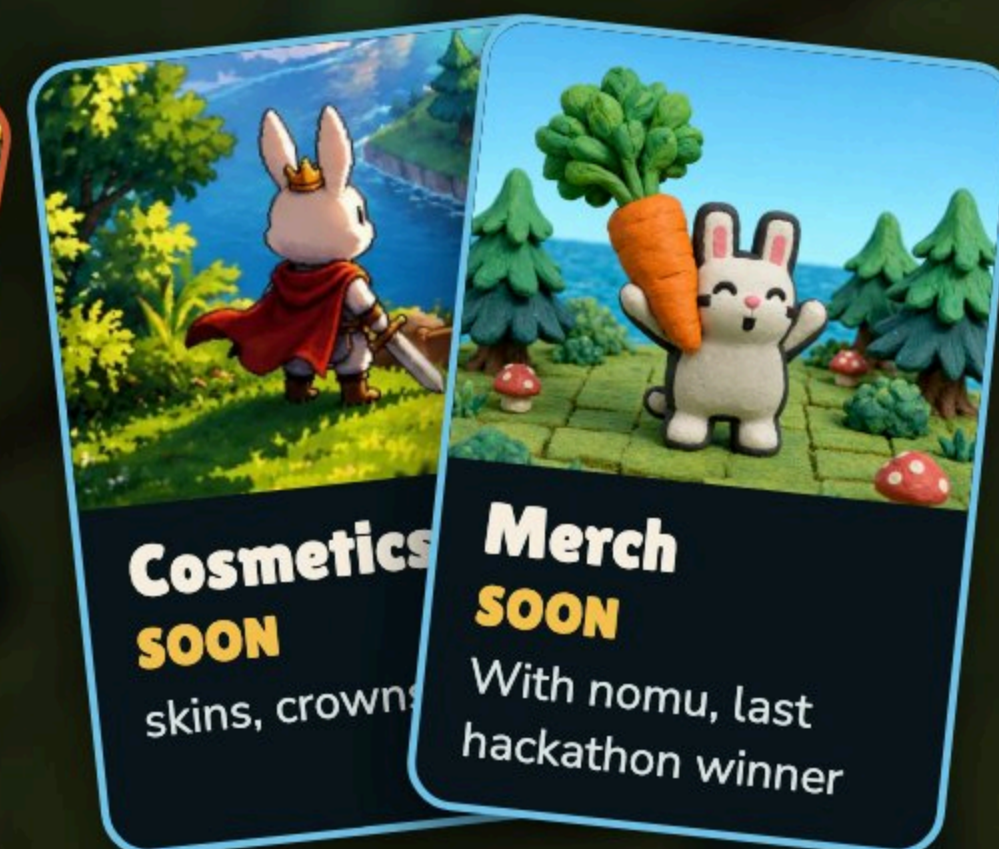

ECONOMY

Earn everything by playing, or skip the grind: pay in SOL or SKR, straight from your wallet. Money buys time, never power.

PROGRESS

ATTACKS - REVENGE LOOP

BRAND

Priced in USD, settled in SOL or SKR at the live Jupiter rate. SOL amounts at \$118 per SOL (Sep 28, 2026).

THE IP

Characters, not skins.

Anyone can ship a game now. Characters people care about are still rare. The game is chapter one.

LORE

The Cursed Crown, 5 chapters told in the game

CLIPS

8 viral clips, the first one out

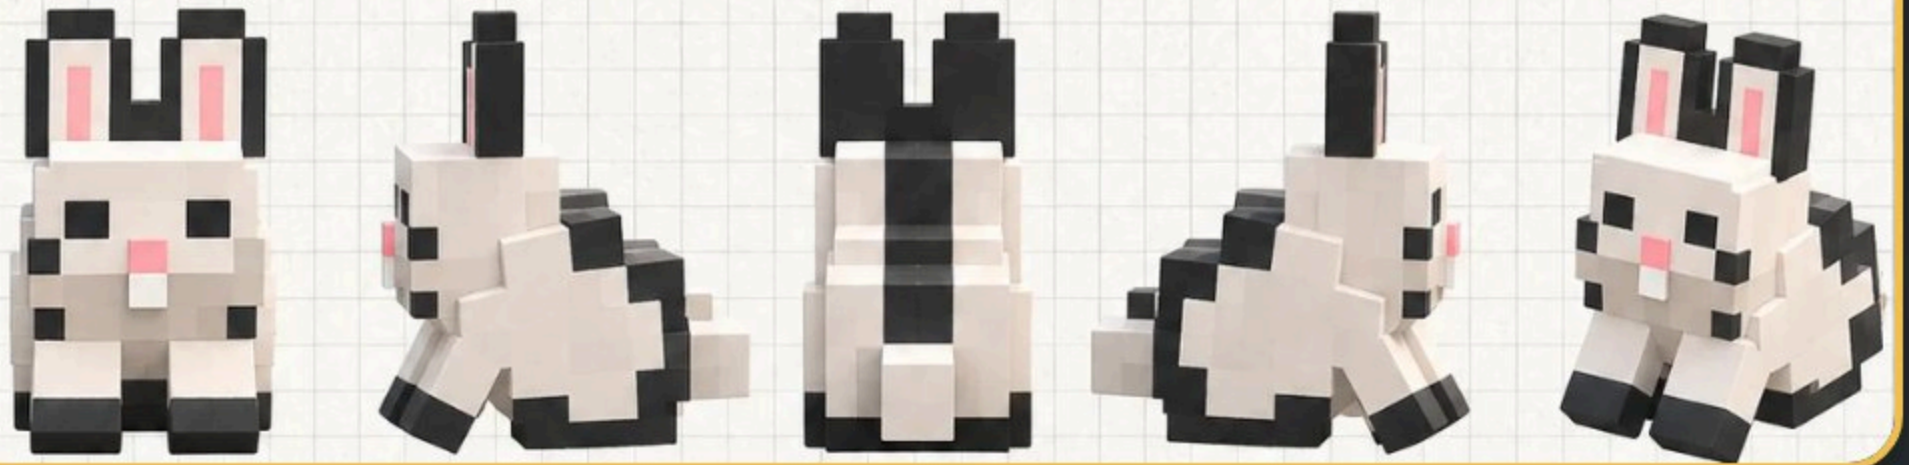

MERCH

Clay figures with nomu, last hackathon winner

SHIRO

The hero. Thinks, then wins.

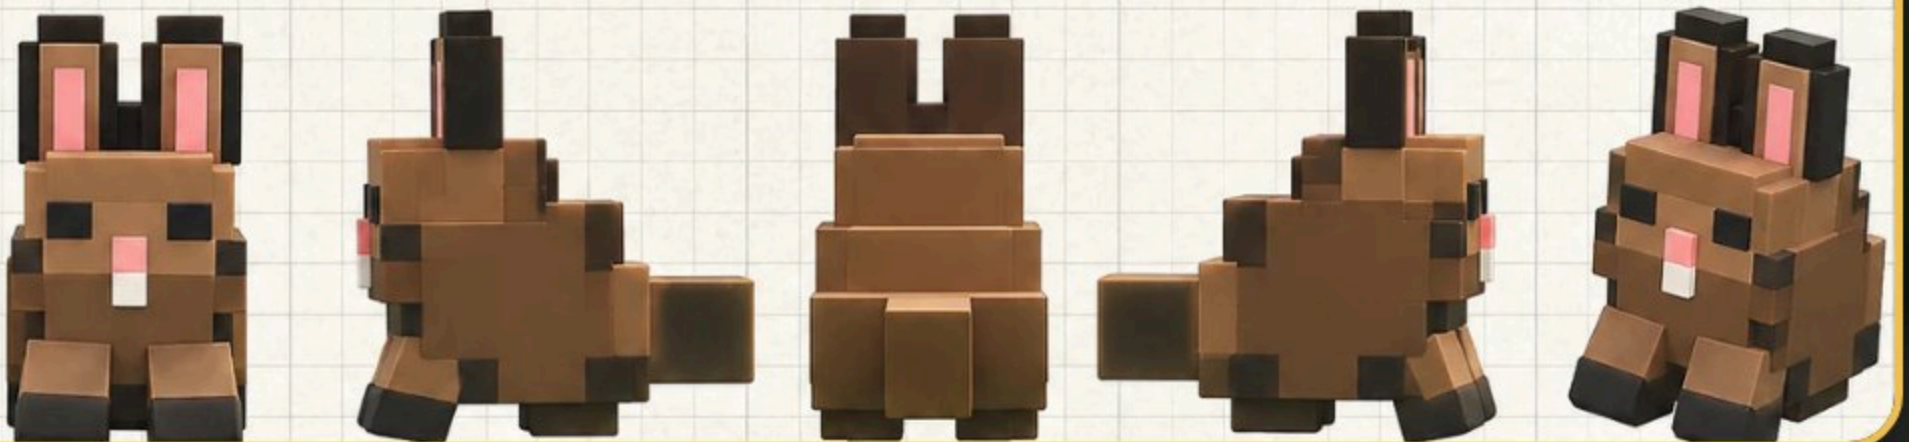

MODEL SHEET

DEGEN

The rival. Jumps, then explodes.

THE IP

Episode 1

No words. Shiro pulls a carrot.
Degen finds a bomb. Soon on
Seeker.

SOUND OFF

First screening

Real reaction, no script.

SOUND OFF

Go-to-market: built to go viral

Seeker first, then every store: no gambling means none is closed to us.

1 - SEEKER

Phones with a wallet built in, a store short on real games, and the domin8 community.

1 by 1

2 - CREATORS

Small YouTubers first, and direct messages to players, one conversation at a time.

8 clips

3 - VIRAL CLIPS

Wordless 25-second gags on X, Instagram and TikTok. Shiro thinks, Degen jumps.

CLIP 1 - OUT NOW

Seeker figures: Solana Mobile, via Solana Compass and The Block (2026).

Built in 16 days. Meant to last 16 years.
